# Rally

16th Aug 2011

**REBECCA HAGELIN**  
Our Guest Speaker (best selling author from the *Heritage Foundation USA*) will be speaking on "One Man, One Woman: The Future Of Civil Society"

## PARLIAMENT HOUSE, CANBERRA

**Mark your diaries now!** In a repeat of the successful 2004 rally, we have booked the Great Hall of Parliament House Canberra for **Tuesday 16th August 2011, 10am to 12pm.**

This is the first day of sitting for the new Senate in which the **Greens' hold the balance of power.** Come in bus loads to support natural marriage and warn all politicians ...

## “DON'T MEDDLE WITH MARRIAGE.”

The Marriage Amendment Act 2004 was passed on 13 August 2004. It defines marriage as: "a union between one man and one woman to the exclusion of all others, voluntarily entered into for life".

The passing of this act was primarily made possible through the efforts of many thousands of Australians being prepared to defend the foundation upon which our nation stands - the family based on marriage.

**REGISTER NOW TO BE SURE OF ACCESS TO THE GREAT HALL**
